

## **Alternatives to Detention Planning Committee June 2022 Update**

The Alternatives to Detention working group is working on the finalization of the policies. Working group leadership has been working with leadership from the courts to finalize the staffing model and organization of the new screening tool process. In addition, the group is working to finalize procedures to support law enforcement in making the best available placement decision that protects both public safety and the interests of the youth. The working group will continue to meet to discuss implementation as well as next steps to strengthen the availability of alternatives throughout the state.
