The collection, submission, testing and analysis of, and records produced 10 from, samples of blood and other body fluids, are subject to chapter 31-13. Evidence 11 of the DNA profile comparison is admissible in accordance with section 31-13-02. A 12 report of the DNA analysis certified by the state crime laboratory is admissible in 13 accordance with section 31-13-05. A district court shall order an individual who refuses 14 to submit a sample of blood or other body fluids for registration purposes to show 15 cause at a specified time and place why the individual should not be required to 16 submit the sample required under this subsection. Within three days after registration, 17 the registering law enforcement agency shall forward the statement, biometric data, 18 and photograph to the attorney general and shall submit the sample of the individual's 19 blood and body fluids to the state crime laboratory. If an individual required to register 20 under this section has a change in vehicle or computer online identity, the individual 21 shall register, within three days after the change, with the law enforcement agency 22 having local jurisdiction of the individual's place of residence of the individual's new 23 vehicle or computer online identity. If an individual required to register pursuant to this 24 section has a change in name, school, or residence or employment address, that 25 individual shall register, at least ten days before the change, with the law enforcement 26 agency having local jurisdiction of the individual's place of residence of the individual's 27 new name, school, residence address, or employment address. The law enforcement agency, within three days

1 after receipt of the information, shall forward it to the attorney general. The attorney 2 general shall forward the appropriate registration data to the law enforcement agency 3 having local jurisdiction of the new place of residence, school, or employment. Upon a 4 change of address, the individual required to register also shall register within three 5 days at the law enforcement agency having local jurisdiction of the new place of 6 residence. If an individual required to register in North Dakota, including in a tribal 7 registry, resides in another state or on tribal lands, that individual shall register 8 employment and school addresses and any changes in required registration 9 information with the law enforcement agency having local jurisdiction over the school 10 or employment address. The individual registering under this section shall periodically 11 confirm the information required under this subsection in a manner and at an interval 12 determined by the attorney general. A law enforcement agency that has previously 13 registered an offender may omit the biometric data portion of the registration if that 14 agency has a set of biometric data on file for that individual and is personally familiar 15 with and can visually identify the offender. These provisions also apply in any other 16 state that requires registration.

8. An individual required to register under this section shall comply with the registration
requirement for the longer of the following periods:

- 19a.A period of fifteen years after the date of sentence or order deferring or20suspending sentence upon a plea or finding of guilt or after release from21incarceration, whichever is later;
- b. A period of twenty-five years after the date of sentence or order deferring or
 suspending sentence upon a plea or finding of guilt or after release from
 incarceration, whichever is later, if the offender is assigned a moderate risk by the
 attorney general as provided in subsection 12; or
- 26 c. For the life of the individual, if that individual:
- 27 (1) On two or more occasions has pled guilty or nolo contendere to, or been
 28 found guilty of a crime against a child or as a sexual offender. If all qualifying

 30 qualifying offense was committed after August 1, 1999;

1		(2) Pleads guilty or nolo contendere to, or is found guilty of, an offense
2		committed after August 1, 1999, which is described in subdivision a of
3		subsection 1 of section 12.1-20-03, section 12.1-20-03.1, or subdivision d of
4		subsection 1 of section 12.1-20-03 if the person is an adult and the victim is
5		under age twelve, or section 12.1-18-01 if that individual is an adult other
6		than a parent of the victim, or an equivalent offense from another court in
7		the United States, a tribal court, or court of another country; or
8		(3) Is assigned a high risk by the attorney general as provided in subsection 12.
9	9.	An individual required to register under this section who violates this section is guilty of
10		a class C felony. The failure of a homeless individual to register as required in
11		subsections 2 and 3 is prima facie evidence of a violation of this section. The clerk of
12		court shall forward all warrants issued for a violation of this section to the county
13		sheriff, who shall enter all such warrants into the national crime information center
14		wanted person file. A court may not relieve an individual, other than a juvenile, who
15		violates this section from serving a term of at least ninety days in jail and completing
16		probation of one year.
17	10.	When an individual is released on parole or probation and is required to register
18		pursuant to this section, but fails to do so within the time prescribed, the court shall
19		order the probation, or the parole board shall order the parole, of the individual
20		revoked.
21	11.	If an individual required to register pursuant to this section is temporarily sent outside
22		the facility or institution where that individual is confined under conviction or sentence,
23		the local law enforcement agency having jurisdiction over the place where that
24		individual is being sent must be notified within a reasonable time period before that
25		individual is released from the facility or institution. This subsection does not apply to
26		any individual temporarily released under guard from the facility or institution in which
27		that individual is confined.
28	12.	The attorney general, with the assistance of the department and the juvenile courts,
29		shall develop guidelines for the risk assessment of sexual offenders who are required
30		to register, with a low-risk, moderate-risk, or high-risk level being assigned to each
31		offender as follows:

1	a.	The department shall conduct a risk assessment of sexual offenders who are
2		incarcerated in institutions under the control of the department and sexual
3		offenders who are on supervised probation. The department, in a timely manner,
4		shall provide the attorney general any information, including the offender's level
5		of risk and supporting documentation, concerning individuals required to be
6		registered under this section who are about to be released or placed into the
7		community.
8	b.	The attorney general shall conduct a risk assessment of sexual offenders who
9		are not under the custody or supervision of the department. The attorney general

- 10may adopt a law enforcement agency's previous assignment of risk level for an11individual if the assessment was conducted in a manner substantially similar to12the guidelines developed under this subsection.
- c. The juvenile courts or the agency having legal custody of a juvenile shall conduct
 a risk assessment of juvenile sexual offenders who are required to register under
 this section. The juvenile courts or the agency having legal custody of a juvenile
 shall provide the attorney general any information, including the offender's level
 of risk and supporting documentation, concerning juveniles required to register
 and who are about to be released or placed into the community.
- 19d.The attorney general shall notify the offender of the risk level assigned to that20offender. An offender may request a review of that determination with the attorney21general's sexual offender risk assessment committee and may present any22information that the offender believes may lower the assigned risk level.
- An individual assessed as a high-risk sexual offender in accordance with
 subsection 12, may not reside within five hundred feet [152.4 meters] of a public or
 nonpublic preschool or elementary, middle, or high school.
- 14. Relevant and necessary conviction and registration information must be disclosed to
 the public by a law enforcement agency if the individual is a moderate or high risk and
 the agency determines that disclosure of the conviction and registration information is
 necessary for public protection. The attorney general shall develop guidelines for
 public disclosure of offender registration information. Public disclosure may include
 internet access if the offender:

1		a. Is required to register for a lifetime under subsection 8;
2		b. Has been determined to be a high risk to the public by the department, the
3		attorney general, or the courts, according to guidelines developed by those
4		agencies; or
5		c. Has been determined to be a high risk to the public by an agency of another state
6		or the federal government.
7		If the offender has been determined to be a moderate risk, public disclosure must
8		include, at a minimum, notification of the offense to the victim registered under chapter
9		12.1-34 and to any agency, civic organization, or group of persons who have
10		characteristics similar to those of a victim of the offender. Upon request, law
11		enforcement agencies may release conviction and registration information regarding
12		low-risk, moderate-risk, or high-risk offenders.
13	15.	A state officer, law enforcement agency, or public school district or governing body of a
14		nonpublic school or any appointee, officer, or employee of those entities is not subject
15		to civil or criminal liability for making risk determinations, allowing a sexual offender to
16		attend a school function under section 12.1-20-25, or for disclosing or for failing to
17		disclose information as permitted by this section.
18	16.	If a juvenile is adjudicated delinquent and required or ordered to register as a sexual
19		offender or as an offender against a child under this section, the juvenile shall comply
20		with the registration requirements in this section. Notwithstanding any other provision
21		of law, a law enforcement agency shall register a juvenile offender in the same manner
22		as adult offenders and may release any relevant and necessary information on file to
23		other law enforcement agencies, the department of human services, or the public if
24		disclosure is necessary to protect public health or safety. The law enforcement agency
25		shall release any relevant and necessary information on file to the superintendent or
26		principal of the school the juvenile attends. The school administration shall notify
27		others in similar positions if the juvenile transfers to another learning institution in or
28		outside the state.
29	17.	If an individual has been required to register as a sexual offender or an offender
30		against a child under section 12.1-32-15 or former section 27-20-52.1 before August 1,
31		1999, the individual may petition the court to be removed from the offender list if

1		registration is no longer mandatory for that individual. In considering the petition, the					
2		court shall comply with the requirements of this section.					
3	18.	A sexual offender who is currently assigned a moderate or high-risk level by the					
4		attorney general may not use a state park of this state as a residence or residential					
5		address to comply with the registration requirements of this section. Before arriving at					
6		a state park for overnight lodging or camping, a sexual offender who is assigned a					
7		moderate or high-risk level by the attorney general shall notify a parks and recreation					
8		department law enforcement officer at the state park where the sexual offender will be					
9		staying.					
10	19.	When an individual who is required to register pursuant to this section plans to travel					
11		outside of the United States, at least twenty-one days before the intended travel, the					
12		individual shall inform the agency with which the individual last registered the					
13		individual's residence address the details of the intended travel. Upon receipt of the

7	has beer	n adjudicated delinquent or a child in need of services and other proceedings involving		
8	the child	are pending in the juvenile court of the county of the child's residence.		
9	<u>27-2</u>	20.2-12. Right to counsel.		
10	<u>1.</u>	Except as provided in section 27-20.1-09, a child alleged to be within the jurisdiction of

15		<u>to be:</u>		
16		<u>a.</u> <u>Delinquent;</u>		
17		b. A child in need of services; or		
18		c. A child in need of protection if the child is of sufficient age and competency to

14		incr	iminate oneself. An extrajudicial statement, if obtained in the course of violation of			
15		<u>this</u>	this chapter or which would be constitutionally inadmissible in a criminal proceeding,			
16		<u>may</u>	may not be used against a child. Evidence illegally seized or obtained may not be			
17		rece	eceived over objection to establish the allegations made against a child. A confession			
18		valio	alidly made by a child out of court is insufficient to support an adjudication of			
19		<u>deli</u>	delinquency unless the confession is corroborated in whole or in part by other			
20		evidence.				
21	<u>27-2</u>	20.2-1	14. Orders directed to parents or guardians.			
22	<u>Eve</u>	ry pa	rent or guardian has an obligation and must participate in any treatment of the

24	<u>27-2</u>	<u>20.2-</u> 1	15. Indian child welfare - Active efforts and procedures.			
25	<u>1.</u>	<u>As ι</u>	used in this section:			
26		<u>a.</u>	"Active efforts" means affirmative, active, thorough, and timely efforts intended			
27			primarily to maintain or reunite an Indian child with the child's family. Active efforts			
28			are required if the federal Indian Child Welfare Act of 1978 [25 U.S.C. 1901			
29			through 1963] applies or may apply, including during the verification process. If			
30			an agency is involved in the child-custody proceeding, active efforts must involve			
31			assisting the parent or parents or Indian custodian through the steps of a case			

1	Ę	plan	and with accessing or developing the resources necessary to satisfy the
2	<u>C</u>	case	e plan. To the maximum extent possible, active efforts should be provided in a
3	<u>n</u>	man	ner consistent with the prevailing social and cultural conditions and way of
4	li	life c	of the Indian child's tribe and should be conducted in partnership with the
5	<u>l</u> i	India	an child and the Indian child's parents, extended family members, Indian
6	<u>c</u>	cust	odians, and tribe. Active efforts are to be tailored to the facts and
7	<u>C</u>	circu	umstances of the case. The term includes:
8	Ĺ	<u>1)</u>	Conducting a comprehensive assessment of the circumstances of the
9			Indian child's family, with a focus on safe reunification as the most desirable
10			goal, with ongoing timely assessment to determine if the threat is resolved
11			and placement of the child can be returned to the custodian;
12	<u>(</u> 2	<u>2)</u>	Identifying appropriate services and helping the parents to overcome
13			barriers, including actively assisting the parents in obtaining such services;
14	<u>(:</u>	<u>(3)</u>	Identifying, notifying, and inviting representatives of the Indian child's tribe to
15			participate in providing support and services to the Indian child's family and
16			in family team meetings, permanency planning, and resolution of placement
17			issues;
18	(4	<u>4)</u>	Conducting or causing to be conducted a diligent search for the Indian
19			child's extended family members, and contacting and consulting with
20			extended family members to provide family structure and support for the
21			Indian child and the Indian child's parents;
22	<u>(</u> !	<u>(5)</u>	Offering and employing available and culturally appropriate family
23			preservation strategies and facilitating the use of remedial and rehabilitative
24			services provided by the child's tribe;
25	<u>(6</u>	<u>6)</u>	Taking steps to keep siblings together whenever possible;
26	(7	<u>7)</u>	Supporting regular visits with parents or Indian custodians in the most
27			natural setting possible as well as trial home visits of the Indian child during
28			any period of removal, consistent with the need to ensure the health, safety,
29			and welfare of the child;
30	<u>(8</u>	<u>8)</u>	Identifying community resources including housing, financial, transportation,
31			mental health, substance abuse, and peer support services and actively

1	assisting the Indian child's parents or, if appropriate, the child's family, in	
2		
	utilizing and accessing those resources;	
3	(9) Monitoring progress and participation in services;	
4	(10) Considering alternative ways to address the needs of the Indian child's	
5	parents and if appropriate, the family, if the optimum services do not exist or	<u>[</u>
6	are not available; and	
7	(11) Providing post-reunification services and monitoring.	
8	b. "Extended family member" means a relationship defined by the law or custom of	•
9	the Indian child's tribe or, in the absence of such law or custom, means an	
10	individual who has reached the age of eighteen and who is the Indian child's	
11	grandparent, aunt or uncle, brother or sister, brother-in-law or sister-in-law, niece	_
12	or nephew, first or second cousin, or stepparent.	
13	c. "Indian" means an individual who is a member of an Indian tribe, or who is a	
14	native and a member of a regional corporation as defined in 43 U.S.C.1606.	
15	d. "Indian child" means an unmarried individual who is under the age of eighteen	
16	and is either a member of an Indian tribe or is eligible for membership in an	
17	Indian tribe and is the biological child of a member of an Indian tribe.	
18	e. "Indian child's tribe" means the Indian tribe in which an Indian child is a member	
19	or eligible for membership or, in the case of an Indian child who is a member of o	<u>r</u>
20	eligible for membership in more than one tribe, the Indian tribe with which the	
21	Indian child has the more significant contacts.	
22	f. "Indian custodian" means any Indian individual who has legal custody of an	
23	Indian child under tribal law or custom or under state law or to whom temporary	
24	physical care, custody, and control has been transferred by the parent of the	
25	child.	
26	g. "Indian tribe" means an Indian tribe, band, nation, or other organized Indian	
27	group or community of Indians recognized as eligible for services provided to	
28	Indians by the United States secretary of the interior because of their status as	
29	Indians, including any Alaska native village as defined in 43 U.S.C.1602(c).	
30	h. "Parent" means any biological parent or parents of an Indian child or any Indian	
31	individual who has lawfully adopted an Indian child, including adoptions under	

1		tribal law or custom. The term does not include the unwed father if paternity has
2		not been acknowledged or established.
3		i. "Termination of parental rights" means any action resulting in the termination of
4		the parent-child relationship. The term does not include a placement based upon
5		an act by an Indian child which, if committed by an adult, would be deemed a
6		crime or a placement upon award of custody to one of the child's parents in a
7		divorce proceeding.
8	<u>2.</u>	Before removal of an Indian child from the custody of a parent or Indian custodian for
9		purposes of involuntary foster care placement or the termination of parental rights over
10		an Indian child, the court shall find that active efforts have been made to provide
11		remedial services and rehabilitative services designed to prevent the breakup of the
12		Indian family and that these efforts have proved unsuccessful. The court may not
13		order the removal unless evidence of active efforts shows there has been a vigorous
14		and concerted level of casework beyond the level that would constitute reasonable
15		efforts under section 27-20.3-28. Reasonable efforts may not be construed to be
16		active efforts. Active efforts must be made in a manner that takes into account the
17		prevailing social and cultural values, conditions, and way of life of the Indian child's
18		tribe. Active efforts must utilize the available resources of the Indian child's extended
19		family, tribe, tribal and other relevant social service agencies, and individual Indian
20		caregivers.
21	<u>3.</u>	The court may order the removal of the Indian child for involuntary foster case
22		placement only if the court determines, by clear and convincing evidence, that
23		continued custody of the child by the parent or Indian custodian is likely to result in
24		serious emotional or physical damage or harm to the child. Evidence must show a
25		causal relationship between the particular conditions in the home and the likelihood
26		that continued custody of the child will result in serious emotional or physical damage
27		or harm to the particular child who is the subject of the proceeding. Poverty, isolation,
28		custodian age, crowded or inadequate housing, substance use, or nonconforming
29		social behavior does not by itself constitute clear and convincing evidence of imminent
30		serious emotional or physical damage or harm to the child. As soon as the threat has
31		been removed and the child is no longer at risk, the state should terminate the

1		removal, by returning the child to the parent while offering a solution to mitigate the		
2		situation that gave rise to the need for emergency removal and placement.		
3	<u>4.</u>	The court may only order the termination of parental rights over the Indian child if the		
4		court determines, by evidence beyond a reasonable doubt, that continued custody of		
5		the child by the parent or Indian custodian is likely to result in serious emotional or		
6		physical damage or harm to the child.		
7	<u>5.</u>	In considering whether to involuntarily place an Indian child in foster care or to		
8		terminate the parental rights of the parent of an Indian child, the court shall require that		
9		a qualified expert witness must be qualified to testify regarding whether the child's		
10		continued custody by the parent or Indian custodian is likely to result in serious		
11		emotional or physical damage or harm to the child and should be qualified to testify as		
12		to the prevailing social and cultural standards of the Indian child's tribe. An individual		
13		may be designated by the Indian child's tribe as being qualified to testify to the		
14		prevailing social and cultural standards of the Indian child's tribe. The court or any		
15		party may request the assistance of the Indian child's tribe or the bureau of Indian		
16		affairs office serving the Indian child's tribe in locating individuals qualified to serve as		
17		expert witnesses. The social worker regularly assigned to the Indian child may not		
18		serve as a qualified expert witness in child-custody proceedings concerning the child.		
19		The qualified expert witness should be someone familiar with the particular child and		
20		have contact with the parents to observe interaction between the parents, child, and		
21		extended family members. The child welfare agency and courts should facilitate		
22		access to the family and records to facilitate accurate testimony.		
23	<u>27-</u> 2	20.2-16. Substance use programming.		
24	<u>1.</u>	If a child is subject to nonjudicial adjustments under this chapter and is found to be		
25		delinquent under section 27-20.4-16, or is found to be in need of services or protection		
26		under section 27-20.3-16, the juvenile court may require a substance use screening		
27		and subsequent programming to appropriately address:		
28		a. A child who is found to have violated section 39-08-01 or equivalent; or		
29		b. If a child is found to have an alcohol concentration of at least two one-hundredths

19		<u>the</u>	current protective placement to a parent or other biological family must provide a

21		par	ties involved.
22	<u>3.</u>	<u>A c</u>	nild in need of protection may not be placed in a residential facility that houses
23		<u>deli</u>	nquent children.
24	<u>27-2</u>	20.3-	17. Disposition of child needing continued foster care services.
25	<u>1.</u>	<u>As</u>	used in this section, "child" means an individual between the ages of eighteen and
26		<u>twe</u>	nty-one years who is in need of continued foster care services.
27	<u>2.</u>	<u>A p</u>	etition to commence an action under this section must contain information as
28		<u>req</u>	uired by supreme court rule along with an affidavit either prepared by the
29		<u>adr</u>	ninistrative human service zone, as determined by the department of human
30		<u>ser</u>	vices, or prepared by an agency or tribal council of a recognized Indian reservation
31		<u>in tl</u>	nis state.

1	<u>3.</u>	The	e court shall issue a summons upon the filing of a petition and affidavit.	
2	<u>4.</u>	If a child is in need of continued foster care services as determined by the human

7		<u>b.</u>	That the child will remain in or will return to foster care pursuant to the child's	
8			continued foster care agreement;	
9		<u>C.</u>	That the child's continued foster care agreement has been willfully entered	
10			between:	
11			(1) The human service zone or the department of human services or its agent,	
12			the child, and the foster care provider; or	
13			(2) An agency or tribal council of a recognized Indian reservation in the state if	
14			the child is not subject to the jurisdiction of the state, the child, and the

16		<u>d.</u>	That it is in the best interest of the child to remain in or return to foster care;	
17		<u>e.</u>	That reasonable efforts were made in accordance with subsection 7 of section	
18			<u>27-20.3-20;</u>

1		j. That permanency hearing must be as set forth in section 27-20.3-26; and
2		k. That there are no grounds to file a petition to terminate parental rights under
3		section 27-20.3-22.
4	<u>5.</u>	Pursuant to rule 16 of the North Dakota Rules of Juvenile Procedure, a court may
5		modify or vacate the judicial determination made under subsection 4.
6	<u>27-2</u>	20.3-18. Human service zone to report to committing juvenile court.
7	<u>1.</u>	A human service zone shall develop a family case plan and file the plan with the
8		committing juvenile court within sixty days.
9	<u>2.</u>	A human service zone shall review each placement of a child found to be in need or
10		protection with custody ordered to a human service zone and shall review the current
11		status of each child every three months to determine whether a change in placement
12		or program is necessary for continued efforts toward reunification and permanency of
13		the child, and shall report the findings to the committing juvenile court.
14	<u>27-2</u>	20.3-19. Court order required for removal of child.
15	<u>An c</u>	order of disposition or other adjudication in a proceeding under this chapter, in those
16	<u>cases in</u>	which a child is removed from the home of a parent, custodian, or guardian for the
17	<u>reason t</u>	hat continuation in such home would be contrary to the welfare of such child, must
18	<u>specifica</u>	ally state that a continuation of the child in the home of the parent, custodian, or
19	guardiar	n would be contrary to the welfare of the child.
20	<u>27-2</u>	20.3-20. Reasonable efforts to prevent removal or to reunify - When required.
21	<u>1.</u>	As used in this section, "reasonable efforts" means the exercise of due diligence, by
22		the agency granted authority over the child under this chapter, to use appropriate and
23		available services to meet the needs of the child and the child's family in order to
24		prevent removal of the child from the child's family or, after removal, to use appropriate
25		and available services to eliminate the need for removal, to reunite the child and the
26		child's family, and to maintain family connections. In determining reasonable efforts to
27		be made with respect to a child under this section, and in making reasonable efforts,
28		the child's health and safety must be the paramount concern.
29	<u>2.</u>	Except as provided in subsection 4, reasonable efforts must be made to preserve
30		families, reunify families, and maintain family connections:

1		<u>a.</u>	Before the placement of a child in foster care, to prevent or eliminate the need for
2			removing the child from the child's home;
3		<u>b.</u>	To make it possible for a child to return safely to the child's home;
4		<u>c.</u>	Whether and, if applicable, to place siblings in the same foster care, relative,
5			guardianship, or adoptive placement, unless it is determined that such a joint
6			placement would be contrary to the safety or well-being of any of the siblings;
7			and
8		<u>d.</u>	In the case of siblings removed from the home of the siblings who are not jointly
9			placed, to provide for frequent visitation or other ongoing interaction between the
10			siblings, unless it is contrary to the safety or well-being of any of the siblings.
11	<u>3.</u>	<u>lf the</u>	e court or the child's custodian determined that continuation of reasonable efforts,
12		<u>as d</u>	escribed in subsection 2, is inconsistent with the permanency plan for the child,
13		reas	conable efforts must be made to place the child in a timely manner in accordance
14		<u>with</u>	the permanency plan and to complete steps that are necessary to finalize the
15		pern	nanent placement of the child.
16	<u>4.</u>	<u>Rea</u>	sonable efforts of the type described in subsection 2 are not required if:
17		<u>a.</u>	A court of competent jurisdiction has determined a parent has subjected a child to
18			aggravated circumstances; or
19		<u>b.</u>	The parental rights of the parent, with respect to another child of the parent, have
20			been involuntarily terminated.
21	<u>5.</u>	<u>Effo</u>	rts to place a child for adoption, with a fit and willing relative or other appropriate
22		<u>indiv</u>	vidual as a legal guardian, or in another planned permanent living arrangement,
23		<u>may</u>	be made concurrently with reasonable efforts of the type described in
24		subs	section 2.
25	<u>6.</u>	<u>Ren</u>	noval of a child from the child's home for placement in foster care must be based
26		<u>on j</u> ı	udicial findings stated in the court's order, and determined on a case-by-case basis
27		<u>in a</u>	manner that complies with the requirements of titles IV-B and IV-E of the federal
28		<u>Soci</u>	ial Security Act [42 U.S.C. 620 et seq. and 42 U.S.C. 6701 et seq.], as amended,
29		and	federal regulations adopted under this federal Act, provided that this subsection
30		<u>may</u>	not provide a basis for overturning an otherwise valid court order.

1	<u>7.</u>	<u>For</u>	the p	urpose of section 27-20.3-21, reasonable efforts were made under this
2		sec	tion to	meet the child's needs before a foster care placement for a child remaining
3		<u>in c</u> a	are fo	r continued foster care purposes.
4	<u>27-2</u>	20.3-2	21. Inc	dian child welfare - Active efforts and procedures.
5	<u>1.</u>	<u>As ι</u>	used i	n this section:
6		<u>a.</u>	"Act	ive efforts" means affirmative, active, thorough, and timely efforts intended
7			prim	arily to maintain or reunite an Indian child with the child's family. Active efforts
8			<u>requ</u>	iired of the federal Indian Child Welfare Act of 1978 [25 U.S.C. 1901 through
9			<u>1963</u>	3] apply or may apply, including during the verification process. If an agency
10			<u>is in</u>	volved in the child-custody proceeding, active efforts must involve assisting
11			<u>the p</u>	parent or parents or Indian custodian through the steps of a case plan and
12			<u>with</u>	accessing or developing the resources necessary to satisfy the case plan. To
13			<u>the r</u>	maximum extent possible, active efforts should be provided in a manner
14			cons	sistent with the prevailing social and cultural conditions and way of life of the
15			<u>India</u>	an child's tribe and should be conducted in partnership with the Indian child
16			and	the Indian child's parents, extended family members, Indian custodians, and
17			<u>tribe</u>	. Active efforts are to be tailored to the facts and circumstances of the case.
18			<u>The</u>	term includes:
19			<u>(1)</u>	Conducting a comprehensive assessment of the circumstances of the
20				Indian child's family, with a focus on safe reunification as the most desirable
21				goal, with ongoing timely assessment to determine when the threat is
22				resolved and placement of the child can be returned to the custodian.
23			<u>(2)</u>	Identifying appropriate services and helping the parents to overcome
24				barriers, including actively assisting the parents in obtaining such services.
25			<u>(3)</u>	Identifying, notifying, and inviting representatives of the Indian child's tribe to
26				participate in providing support and services to the Indian child's family and
27				in family team meetings, permanency planning, and resolution of placement
28				issues.
29			<u>(4)</u>	Conducting or causing to be conducted a diligent search for the Indian
30				child's extended family members, and contacting and consulting with

1		extended family members to provide family structure and support for the
2		Indian child and the Indian child's parents.
3	<u>(5)</u>	Offering and employing available and culturally appropriate family
4		preservation strategies and facilitating the use of remedial and rehabilitative
5		services provided by the child's tribe.
6	<u>(6)</u>	Taking steps to keep siblings together, if possible.
7	(7)	Supporting regular visits with parents or Indian custodians in the most
8		natural setting possible as well as trial home visits of the Indian child during
9		any period of removal, consistent with the need to ensure the health, safety,
10		and welfare of the child.
11	<u>(8)</u>	Identifying community resources, including housing, financial,
12		transportation, mental health, substance abuse, and peer support services
13		and actively assisting the Indian child's parents or, as appropriate, the
14		child's family, in utilizing and accessing those resources.
15	<u>(9)</u>	Monitoring progress and participation in services.
16	<u>(10)</u>	Considering alternative ways to address the needs of the Indian child's
17		parents and where appropriate, the family, if the optimum services do not
18		exist or are not available.
19	<u>(11)</u>	Providing post-reunification services and monitoring.
20	<u>b. "Ext</u>	ended family member" means a relationship defined by the law or custom of
21	the	Indian child's tribe or, in the absence of such law or custom, means an
22	indi	vidual who has reached the age of eighteen and who is the Indian child's
23	grar	ndparent, aunt or uncle, brother or sister, brother-in-law or sister-in-law, niece
24	<u>or n</u>	ephew, first or second cousin, or stepparent.
25	<u>c.</u> <u>"Ind</u>	ian" means an individual who is a member of an Indian tribe, or who is a
26	nati	ve and a member of a regional corporation as defined under 43 U.S.C. 1606.
27	<u>d.</u> <u>"Ind</u>	ian child" means any unmarried individual who is under the age of eighteen
28	and	is either a member of an Indian tribe or is eligible for membership in an
29	Indi	an tribe and is the biological child of a member of an Indian tribe.
30	<u>e. "Ind</u>	ian child's tribe" means the Indian tribe in which an Indian child is a member
31	<u>or e</u>	ligible for membership or, in the case of an Indian child who is a member of or

1			eligible for membership in more than one tribe, the Indian tribe with which the
2			Indian child has the more significant contacts.
3		<u>f.</u>	"Indian custodian" means any Indian individual who has legal custody of an
4			Indian child under tribal law or custom or under state law or to whom temporary
5			physical care, custody, and control has been transferred by the parent of the
6			<u>child.</u>
7		<u>g.</u>	"Indian tribe" means an Indian tribe, band, nation, or other organized Indian
8			group or community of Indians recognized as eligible for services provided to
9			Indians by the United States secretary of the interior because of their status as
10			Indians, including any Alaska native village as defined in 43 U.S.C. 1602(c).
11		<u>h.</u>	"Parent" means any biological parent or parents of an Indian child or any Indian
12			individual who has lawfully adopted an Indian child, including adoptions under
13			tribal law or custom. The term does not include the unwed father if paternity has
14			not been acknowledged or established.
15		<u>i.</u>	"Termination of parental rights" means any action resulting in the termination of
16			the parent-child relationship. It does not include a placement based upon an act
17			by an Indian child which, if committed by an adult, would be deemed a crime or a
18			placement upon award of custody to one of the child's parents in a divorce
19			proceeding.
20	<u>2.</u>	<u>Bef</u>	ore removal of an Indian child from the custody of a parent or Indian custodian for
21		pur	poses of involuntary foster care placement or the termination of parental rights over
22		<u>an</u>	Indian child, the court shall find that active efforts have been made to provide
23		rem	nedial services and rehabilitative services designed to prevent the breakup of the
24		<u>Indi</u>	ian family and that these efforts have proved unsuccessful. The court may not
25		ord	er the removal unless evidence of active efforts shows there has been a vigorous
26		and	concerted level of casework beyond the level that would constitute reasonable
27		<u>effo</u>	orts under section 27-20.3-28. Reasonable efforts may not be construed to be
28		<u>acti</u>	ve efforts. Active efforts must be made in a manner that takes into account the
29		pre	vailing social and cultural values, conditions, and way of life of the Indian child's
30		<u>tribe</u>	e. Active efforts must utilize the available resources of the Indian child's extended

1		family, tribe, tribal and other relevant social service agencies, and individual Indian
2		caregivers.
3	<u>3.</u>	The court may order the removal of the Indian child for involuntary foster care
4		placement only if the court determines, by clear and convincing evidence, that
5		continued custody of the child by the parent or Indian custodian is likely to result in
6		serious emotional or physical damage to the child. Evidence must show a causal
7		relationship between the particular conditions in the home and the likelihood that
8		continued custody of the child will result in serious emotional or physical damage to
9		the particular child who is the subject of the proceeding. Poverty, isolation, custodian
10		age, crowded or inadequate housing, substance use, or nonconforming social
11		behavior does not by itself constitute clear and convincing evidence of imminent
12		serious emotional or physical damage to the child. As soon as the threat has been
13		removed and the child is no longer at risk, the state should terminate the removal, by
14		returning the child to the parent while offering a solution to mitigate the situation that
15		gave rise to the need for emergency removal and placement.
16	<u>4.</u>	The court may only order the termination of parental rights over the Indian child if the
17		court determines, by evidence beyond a reasonable doubt that continued custody of
18		the child by the parent or Indian custodian is likely to result in serious emotional or
19		physical damage to the child.
20	<u>5.</u>	In considering whether to involuntarily place an Indian child in foster care or to
21		terminate the parental rights of the parent of an Indian child, the court shall require that
22		a qualified expert witness must be qualified to testify regarding whether the child's
23		continued custody by the parent or Indian custodian is likely to result in serious
24		emotional or physical damage to the child and should be qualified to testify as to the
25		prevailing social and cultural standards of the Indian child's tribe. An individual may be
26		designated by the Indian child's tribe as being qualified to testify to the prevailing
27		social and cultural standards of the Indian child's tribe. The court or any party may
28		request the assistance of the Indian child's tribe or the bureau of Indian affairs office
29		serving the Indian child's tribe in locating individuals qualified to serve as expert
30		witnesses. The social worker regularly assigned to the Indian child may not serve as a
31		qualified expert witness in child-custody proceedings concerning the child. The

1		qualified expert witness should be someone familiar with the particular child and have					
2		contact with the parents to observe interaction between the parents, child, and					
3		extended family members. The child welfare agency and courts should facilitate					
4		acce	ess to	the family and records to facilitate accurate testimony.			
5	<u>27-2</u>	0.3-2	22. Te	ermination of parental rights.			
6	<u>1.</u>	<u>The</u>	cour	t by order may terminate the parental rights of a parent with respect to the			
7		pare	ent's d	child if:

13				will probably suffer serious physical, mental, moral, or emotional harm; or			
14			<u>(2)</u>	The child has been in foster care, in the care, custody, and control of the			
15				department or human service zone, or, in cases arising out of an			
16				adjudication by the juvenile court that a child is in need of services, the			
17				division of juvenile services, for at least four hundred fifty out of the previous			
18				six hundred sixty nights;			
19		<u>d.</u>	<u>The</u>	written consent of the parent acknowledged before the court has been given;			
20			<u>or</u>				
21		<u>e.</u>	<u>The</u>	parent has pled guilty or nolo contendere to, or has been found guilty of			
22			<u>eng</u> a	aging in a sexual act under section 12.1-20-03 or 12.1-20-04, the sexual act			
23			led t	to the birth of the parent's child, and termination of the parental rights of the			
24			pare	ent is in the best interests of the child.			
25	<u>2.</u>	<u>lf th</u>	e cou	irt does not make an order of termination of parental rights, it may grant an			
26		<u>orde</u>	er und	der section 27-20.3-16 if the court finds from clear and convincing evidence			
27		<u>that</u>	the c	child is in need of protection.

2				involving the child, under chapter 12.1-16 or sections 12.1-17-01 through
3				<u>12.1-17-04 or 12.1-20-01 through 12.1-20-08.</u>
4		<u>b.</u>	<u>"Co</u>	mpelling reason" means a recorded statement that reflects consideration of:

7				<u>child;</u>
8			<u>(3)</u>	The availability of an adoptive home suitable to the child's needs;

30	reason t	hat continuation in such home would be contrary to the welfare of such child, must

- 1 <u>specifically state that a continuation of the child in the home of the parent, custodian, or</u>
- 2 guardian would be contrary to the welfare of the child.

3	<u>27-2</u>	20.3-28. Limitations of time on orders of disposition.
4	<u>1.</u>	An order terminating parental rights is without limit as to duration.
5	<u>2.</u>	An order of disposition requiring services for the family without the removal of custody
6		may not exceed twelve months from disposition unless extended by the court. The
7		human service zone may request two extensions of up to four months each for the
8		family to complete the treatment goals of the court order and the case plan.
9	<u>3.</u>	Except as provided in subsection 2, an order of disposition pursuant to which a child is
10		placed in foster care may not continue in force for more than twelve months after the
11		child is considered to have entered foster care. Before the extension of any court order

18		the court's own motion;
19		b. Reasonable notice of the hearing and opportunity to be heard are given to the
20		parties affected;

24		limited by subsection 3 or two years from the expiration of any other limited order.
25	<u>5.</u>	The court may terminate an order of disposition or extension before its expiration, on
26		or without an application of a party, if it appears to the court the purposes of the order
27		have been accomplished. If a party may be affected adversely by the order of
28		termination, the order may be made only after reasonable notice and opportunity to be
29		<u>heard have been given to the party.</u>

1	<u>6.</u>	Except as provided in subsection 1, when the child attains the age of twenty years, all
2		orders affecting the child then in force terminate and the child is discharged from
3		further obligation or control.
4	<u>7.</u>	If an order of disposition is made with respect to a child under the age of ten years
5		pursuant to which the child is placed in foster care without terminating parental rights
6		and the parent and child relationship, the court, before extending the duration of the
7		order, shall determine upon the extension hearing whether the child is adoptable and
8		whether termination of those rights and that relationship is warranted under section
9		27-20.3-03.1 and is in the best interest of the child. In that case the notice of the
10		extension hearing also must inform the parties affected that the court will determine
11		whether the child is adoptable and whether termination of their parental rights and the
12		parent and child relationship is warranted and in the best interest of the child and that
13		a further order of disposition may be made by the court placing the child with a view to
14		adoption. If the court determines the child is adoptable and termination of parental
15		rights and the parent and child relationship is warranted and is in the best interest of
16		the child, the court shall make a further order of disposition terminating those rights
17		and that relationship and committing the child under section 27-20.3-09.

17		probable cause to believe the child has committed the delinquent act alleged,
18		and whether the child's detention is required under section 27-20.4-05. In
19		determining whether a child requires detention, the court shall consider the
20		results of the detention screening tool.
21		b. If the child is not released from nonsecure care, a judge or referee shall hold a
22		hearing promptly and not later than ninety-six hours after the child is placed in
23		nonsecure care to determine whether there is probable cause to believe the child
24		has committed a delinquent act and whether the child's shelter care is required.
25	<u>4.</u>	If the child is not released and a parent, guardian, or custodian has not been notified
26		of the hearing, did not appear or waive appearance at the hearing, and files an
27		affidavit showing these facts, the court shall rehear the matter without unnecessary
28		delay and order the child's release, unless it appears from the hearing that the child's
29		detention is required under section 27-20.4-05.
30	<u>5.</u>	If the parents cannot be found or fail to appear for the detention or nonsecure care
31		hearing and the child does not pose a substantial risk to the community and needs to

1		be detained, the human service zone is notified and a child in need of protection or
2		services care hearing is held.
3	<u>6.</u>	If it appears that any child being held in detention or shelter care may have an
4		intellectual or developmental disability, the court or detention personnel shall refer the
5		child to the department of human services for an eligibility determination and the
6		results of the eligibility determination must be filed with the court within the time
7		required by the court.
8	<u>7.</u>	If it appears that any child being held in detention or nonsecure care appears to have
9		a mental health disorder, the detention staff or court intake officer shall request that
10		the court order a mental health hospital placement prescreening that must be
11		conducted within twenty-four hours after the court's order and the results must be filed
12		with the court.
13	<u>8.</u>	If an individual who is or appears to be a child is received at a jail facility or other
14		facility for the detention of adult offenders or individuals charged with a crime, the
15		official in charge of the facility immediately shall inform the court and bring the
16		individual before the court upon request or deliver the individual to a detention or
17		nonsecure facility designated by the court.
18	<u>9.</u>	If a case is transferred to another court for criminal prosecution, the child may be
19		transferred to the appropriate officer or detention facility in accordance with the law
20		governing the detention of persons charged with crime.
21	<u>27-</u> 2	20.4-10. Diversion.
22	<u>1.</u>	Before an informal adjustment is held or a petition is filed, the director of juvenile court
23		or designee may determine that no further action is required or impose conditions in
24		lieu of further proceedings for the conduct and control of the child with a diversion to a
25		community-based program or service.
26	<u>2.</u>	A child referred to the court may be considered for diversion if any of the following
27		<u>criteria are met:</u>
28		a. The child has no prior formal court adjudications for a similar offense type;
29		b. The referral is for a delinquent act that is not an offense requiring a notification to
30		be sent to the department of transportation;

1		<u>C.</u>	The referral is for a delinquent act that has not been previously diverted more
2			than twice by the juvenile court within the last twelve months; or
3		<u>d.</u>	The referral is not an offense that could require sex offender registration.
4	<u>3.</u>	<u>Effe</u>	ctive August 1, 2023, except for a drug-related offense, simple assault under
5		<u>cha</u>	pter 12.1-17-01, or domestic violence under chapter 12.1-17-01.2, a child who
6		<u>com</u>	nmits a delinquent act on school grounds during hours of operation may not be
7		<u>refe</u>	rred to the juvenile court.
8	<u>27-2</u>	20.4-1	11. Informal adjustment.
9	<u>1.</u>	<u>Befo</u>	ore a petition is filed, the director of juvenile court, or other officer of the court
10		<u>des</u>	ignated by the court, subject to direction of the court may give counsel and advice
11		<u>to th</u>	ne parties and impose conditions for the conduct and control of the child in lieu of
12		<u>furt</u>	ner proceedings with a view to an informal adjustment if it appears:
13		<u>a.</u>	The admitted facts bring the case within the jurisdiction of the court;
14		<u>b.</u>	Counsel, advice, and conditions, if any, for the conduct and control of the child
15			without an adjudication would be in the best interest of the public and the child;
16			and
17		<u>C.</u>	The child and the child's parents, guardian, or other custodian consent to the
18			conditions with knowledge that consent is not obligatory.
19	<u>2.</u>	<u>A cł</u>	nild referred to the court may be considered for informal adjustment if any of the
20		<u>follc</u>	owing criteria are met:
21		<u>a.</u>	The child has no prior formal court adjudications for a similar case type within the
22			last twelve months;
23		<u>b.</u>	The referral is for a delinquent act and the child has not been previously diverted
24			more than twice by the juvenile court;
25		<u>C.</u>	A formal petition was filed but an informal adjustment has been requested by the
26			state's attorney as part of an agreement with defense counsel or was ordered by
27			the court in dismissing a formal petition;
28		<u>d.</u>	The referral is a sex offense referral that could require sex offender registration
29			but both the state's attorney and the victim have agreed to an informal
30			adjustment to address the matter; or
31		<u>e.</u>	The referral is from the division.

1	<u>3.</u>	Reasonable written notice of the informal adjustment is given by the court to the victim
2		if one is identified on the referral.
3	<u>4.</u>	Upon an admission to the referred offense, the director of juvenile court or designee
4		will conduct a preliminary risk and needs assessment and the results must be made
5		available to the child and family. The results of the risk and needs assessment are
6		used to inform the outcome of the informal adjustment. Individuals conducting the risk
7		and needs screening tool must receive training on the appropriate delivery and use of
8		the tool. The juvenile court director or designee shall make a diligent inquiry as to the
9		identity of the child's parents or guardians and provide the most recent mailing
10		address for the parents or guardians to the state's attorney for the purpose of service.
11	<u>5.</u>	An informal agreement may not extend beyond six months from the day the
12		agreement was agreed upon. An extension may be granted by the court for an
13		additional period not to exceed six months. An extension may not authorize the
14		detention of the child if not otherwise permitted by this chapter. If the child admits to
15		driving or being in actual physical control of a vehicle in violation of section 39-08-01
16		or an equivalent ordinance, the child may be required to pay a fine as a condition
17		imposed under this section.
18	<u>6.</u>	An incriminating statement made by a child to the juvenile court director or designee
19		giving counsel, advice, or as part of the risk and need screening and assessment
20		process, may not be used against the child over objection in any proceeding.
21	<u>27-2</u>	0.4-12. Petition - Preliminary determination.
22	<u>A pe</u>	tition alleging delinquency under this chapter must be reviewed by the director, the
23	<u>court, or</u>	other person designated by the director and authorized by the court to determine
24	whether	the filing of the petition is in the best interest of the public and the child.
25	<u>27-2</u>	0.4-13. Petition - Who may prepare and file - Review.
26	<u>A pe</u>	tition alleging delinquent conduct must be prepared, filed, and served upon the parties
27	<u>by the st</u>	ate's attorney.
28	<u>27-2</u>	0.4-14. Conduct of hearings.
29	<u>1.</u>	Hearings under this chapter must be conducted by the court without a jury in
30		accordance with the North Dakota Rules of Juvenile Procedure.

	•	-
1	<u>2.</u>	If the hearing has not been held within the time limit, or any extension of the time limit,
2		required by the North Dakota Rules of Juvenile Procedure, the petition must be
3		dismissed.
4	<u>3.</u>	The state's attorney shall present the evidence in support of any allegations of the
5		petition not admitted and otherwise conduct the proceedings on behalf of the state.
6	<u>4.</u>	Except for informal adjustments under section 27-20.4-10, the proceedings must be
7		recorded by stenographic notes or by electronic, mechanical, or other appropriate
8		means.
9	<u>5.</u>	The general public must be excluded from all hearings under this chapter. During
10		hearings, only the parties, the parties' counsel, witnesses, victims, and any other
11		persons the court finds have a proper interest in the proceedings may be admitted by
12		the court. The court may temporarily exclude the child or other person from the
13		hearing if, after being warned by the court that disruptive conduct will cause removal
14		from the courtroom, the child or other person persists in conduct that justifies removal
15		from the courtroom.
16	<u>27-</u> 2	20.4-15. Predispositional assessment.
17	<u>1.</u>	Before the disposition hearing, the court shall direct the director or designee, to
18		conduct a predisposition assessment and to prepare a written report for the court,
19		unless waived by the court.
20	<u>2.</u>	The predisposition assessment must consist of a risk and needs assessment together
21		with any other appropriate screenings.
22	<u>3.</u>	During the pendency of any proceeding the court may order:
23		a. The child to be examined at a suitable place by a physician, psychologist, or
24		certified addiction counselor;
25		b. The child to be tested by appropriate forensic methods to determine whether the
26		child has been exposed to a controlled substance or other substance considered
27		injurious to the child's health:
28		c. Medical or surgical treatment of a child who is suffering from a serious physical
29		condition or illness, or alcohol or drug abuse, which in the opinion of a licensed
30		physician requires prompt treatment, even if the parent, guardian, or other
31		custodian has not been given notice of a hearing, is not available, or without

1		good cause informs the court of that person's refusal to consent to the treatment;
2		<u>or</u>
3		d. An evidence-based risk and needs assessment, mental health screening, or
4		trauma screening.
5	<u>27-2</u>	0.4-16. Adjudication.
6	<u>1.</u>	If the court finds by proof beyond a reasonable doubt that the child committed the acts
7		by reason of which the child is alleged to be delinquent, the court shall proceed
8		immediately or at a postponed hearing to hear evidence as to whether the child is in
9		need of treatment or rehabilitation and to make and file findings. In the absence of
10		evidence to the contrary, evidence of the commission of which constitute a felony is
11		sufficient to sustain a finding that the child is in need of treatment or rehabilitation. If
12		the court finds that the child is not in need of treatment or rehabilitation, the court shall
13		dismiss the proceeding and discharge the child from any detention or other restriction
14		previously ordered.
15	<u>2.</u>	After hearing the evidence on the petition, the court shall make and file findings as to
16		whether the child is delinquent and whether the acts ascribed to the child were
17		committed by the child. If the court finds the allegations of delinquent conduct have not
18		been established, the court shall dismiss the petition and order the child discharged
19		from any detention or other restriction previously ordered in the proceeding.
20	<u>3.</u>	In hearings under subsection 1, all evidence helpful in determining the questions
21		presented, including the predisposition assessment and any other oral and written
22		reports, may be received by the court and relied upon to the extent of its probative
23		value even though not otherwise competent in the hearing on the petition. The parties
24		or the counsel of the parties must be afforded an opportunity to examine and
25		controvert written reports so received and to cross-examine individuals making the
26		reports. Sources of confidential information need not be disclosed.
27	<u>4.</u>	On motion of the court or that of a party, the court may continue the hearings under
28		this section for a reasonable period to receive reports and other evidence bearing on
29		the disposition or the need for treatment or rehabilitation. In this event the court shall
30		make an appropriate order for detention of the child or the child's release from
31		detention subject to supervision of the court during the period of the continuance. In

1		scheduling investigations and hearings the court shall give priority to proceedings in				
2		which a child is in detention or has otherwise been removed from the child's home				
3		before an order of disposition has been made.				
4	<u>27-2</u>	20.4-17. Disposition of a delinquent child.				
5	<u>1.</u>	If the child is found to be a delinquent child, the court shall make findings and include				
6		in the order of disposition any actions or steps necessary to ensure:				
7		a. The child receives the treatment or rehabilitation the court deems most				
8		appropriate;				
9		b. Accountability to the victim; and				
10		c. Safety of the community.				
11	<u>2.</u>	If the child is found to be a delinquent child, the court may order probation with				
12		conditions best suited to the child's individual need for treatment, rehabilitation, and				
13		welfare.				
14	<u>3.</u>	If the court cannot find a less restrictive alternative, the court may commit a child to the				
15		division of juvenile services. A risk and need assessment must be the basis for the				
16		determination of commitment to the division of juvenile services. The court only may				
17		commit a child to the division for a new delinquent offense. Unless all probation				
18		extensions have been exhausted, the child's risk and treatment needs continue to be				
19		high and the child is refusing to comply with the terms of probation, the court may not				
20		commit a child for a violation of the terms of probation.				
21	<u>4.</u>	The court may:				
22		a. Order the child to make monetary restitution to the victim of the offense or to				
23		complete a specified number of hours of community service as determined by the				
24		court, or both;				
25		b. Order the periodic testing for the use of illicit drugs or alcohol; or				
26		c. Order the child's participation in a juvenile drug court program.				
27	<u>5.</u>	If the delinquent act committed by the child was a sexual offense, the court shall				
28		ensure the child is assessed in a timely manner, not to exceed thirty days, with				
29		age-appropriate social assessments to determine the appropriate level of required				
30		treatment.				

1	<u>27-</u> 2	20.4-18. Probation of a delinquent child.
2	<u>1.</u>	A probation order entered by the court must place the child under the supervision of
3		the director.
4	<u>2.</u>	The conditions of probation must be specifically stated in writing and provided to the
5		child.
6	<u>3.</u>	Probation conditions must relate to the individual child's risk and needs assessment
7		and the adjudicated offense.
8	<u>4.</u>	Violations of probation conditions may be sanctioned by the juvenile director, or
9		designee utilizing graduated sanctions and incentives.
10	<u>5.</u>	Formal probation orders may not exceed twelve months from disposition.
11	<u>6.</u>	The court may release a child from probation or modify the terms and conditions of the
12		probation at any time, but the court shall release a child who has complied
13		satisfactorily with the terms, conditions, and duration of probation and the court shall
14		terminate the court's jurisdiction.
15	<u>7.</u>	The director of juvenile court shall establish procedures regarding graduated sanctions
16		and incentives. The graduated sanctions program may include a program of home
17		confinement or electronic monitoring but may not include a secure detention stay.
18	<u>8.</u>	The director or assigned probation court officer may request two extensions up to four
19		months each or one extension up to four months for intensive supervised probation
20		programs for failure to comply or meet the treatment goals of the court order and case
21		<u>plan.</u>
22	<u>9.</u>	Probation may not be extended solely to collect restitution. If probation is terminated
23		with restitution owing the victim, court procedure governs continued collection or
24		motion for civil judgment against the parents, if appropriate.
25	<u>27-</u> 2	20.4-19. Delinquent children - Suspension of driving privileges.
26	<u>1.</u>	If a child is adjudicated delinquent of an offense that would be a class A misdemeanor
27		or a felony if the offense were committed by an adult, the juvenile court may order the
28		suspension of the child's driving privileges for a period of up to six months for the first
29		offense. For a second or subsequent offense, the juvenile court may order the
30		suspension of the child's driving privileges for up to one year. As a condition to the

1		return of driving privileges, the juvenile court may order the successful completion of
2		an appropriate driver's examination.
3	<u>2.</u>	If the juvenile court orders the suspension of a child's driving privileges, the juvenile
4		court immediately shall take possession of the child's driver's license or permit and
5		send copies of the court's order to the director of the department of transportation who
6		shall make notation of the child's suspension of driving privileges.
7	<u>3.</u>	The record of the child's suspension of driving privileges under this section must be
8		kept confidential and may not be released except to law enforcement personnel in
9		connection with law enforcement activities. The record of a child's suspension of
10		driving privileges under this section may not be disclosed to or shared with the
11		licensing officials of any other state or jurisdiction. At the end of the six-month or
12		one-year period, the director shall remove and destroy all record of the child's
13		suspension of driving privileges under this section.
14	<u>4.</u>	This section may not be construed to limit consensual agreements between the
15		juvenile court and the child restricting the driving privileges of the child.
16	<u>27-2</u>	20.4-20. Restitution.
17	<u>1.</u>	In addition to a child being ordered to make restitution under section 27-20.4-16, a
18		parent of a child adjudged delinquent may be ordered to make restitution on the child's
19		behalf in an amount not exceeding five thousand dollars.
20	<u>2.</u>	Before ordering parental restitution under this section, the court shall hold a hearing on
21		the matter with notice given to all interested parties as to the nature and amount of the
22		parental restitution. In determining whether to order parental restitution, the court shall
23		take the following factors into account:
24		a. The ability of the parent or parents to pay monetary restitution and the care and
25		control exercised by the parents.
26		b. The ability of the child to pay monetary restitution.
27		c. Whether ordering parental restitution would detract from the child's treatment,
28		rehabilitation, or welfare.
29		d. The number of delinquent acts, if any, previously committed by the child.
30	<u>3.</u>	A parental order of restitution must be limited to those damages directly related to the
31		delinguent act and expenses actually incurred as a result of the delinguent act.

1	<u>4.</u>	<u>Unl</u>	<u>ess t</u> ł	e court directs otherwise, any order of restitution under this section or section
2		<u>27-</u>	20.4-	6 may be filed, transcribed, and enforced by the juvenile court or person

7		amo	ount.	Any judgment rendered under this section may not be discharged in
8		<u>ban</u>	<u>ikrupt</u>	cy and is not subject to the statutes of limitation provided for in chapter 28-01
9		and	l the j	udgment may not be canceled under section 28-20-35.

3		unless the case has been transferred as provided in this section.		
4	<u>5.</u>	Statements made by the child at a hearing under this section are not admissible		
5		against the child over objection in the criminal proceedings following the transfer		
6		except for impeachment.		
7	<u>6.</u>	If the case is not transferred, the judge who conducted the hearing may not over		
8		objection of an interested party preside at the hearing on the petition. If the case is		
9		transferred to a court of which the judge who conducted the hearing is also a judge,		
10		the judge likewise is disgualified over objection from presiding in the prosecution.		
11	7.	An individual at least twenty years of age who committed an offense while a child and		
12		was not adjudicated for the offense in juvenile court may be prosecuted in district court

22		20.4-23. Limitations of orders of disposition.		
23	<u> </u>	An order of disposition may not exceed twelve months from disposition unless		
24		extended by the court. The director or designee may request two extensions up to four		
25		months each for the child to complete the treatment goals of the court order and the		
26		<u>case plan.</u>		
27	<u>2.</u>	An order of disposition committing a delinguent child to the division of juvenile services		
28		may not exceed twelve months. The court may extend the order for an additional		
29		twelve-month period, if:
